

## STOWE STYLE MAPLE RAUCH - SMOKED MAPLE LAGER

Our Maple Rauchbier is a tribute to the liquid gold created each spring in the Trapp Family Lodge Sugarhouse. A touch of Rauch malt is used to create the base layer of subtle smoke. A blend of Munich and Carafa malts gives this lager its deep hue and full body, balanced with noble hops. The maple rounds out this lager perfectly.

**CHARACTERISTICS:** RICH MAPLE | HINT OF SMOKE | FULL BODIED
