Von Trapp Brewing Blends Creativity Among Friends in New Collaboration Beer with Burlington Beer Company

Stowe, VT – Von Trapp Brewing is thrilled to announce its latest release in their Collab Series: Dortmunder Style Lager, in partnership with Burlington Beer Company of Burlington, Vermont.

Dortmunder Style Lager is a Helles Export Lager brewed with continental malts and noble hops. Bright golden in color with notes of bread dough, honeysuckle, and hay with a full body and firm bitterness, this single decocted pale lager is well-rounded with a lightly mineral finish.

Von Trapp Brewing was honored to team up with Burlington Beer Company to release this limited-edition brew, sharing brewing techniques, creating a one-of-a-kind recipe and building a strong friendship between breweries. The collaboration will be celebrated on March 8th from 12PM to 3PM at Burlington Beer Company in Burlington, Vermont.

The “Collab Series”, renamed from “Stowe Style”, has been a staple in von Trapp Brewing’s lineup for the past few years. The series features a new beer each quarter, brewed in partnership with a like-minded brand. Past partners have included Narragansett Beer of Rhode Island, Brauerei Hofstetten of St. Martin, Austria, Tröegs Independent Brewing of Pennsylvania, and more.
